DSM 5: ten years later

And now?

International Colloquium

Friday December 15 and Saturday December 16 2023

Salle Quartier Notre Dame des Champs
92bis Boulevard du Montparnasse
75014 Paris (France)

organisation by Patrick Landman (Stop DSM Paris) and Marc Calmeyn (Bruges)
With a little help from renowned speakers, professionals and persons with lived experience and many round tables

from the Lowlands	from France
Stijn Vanheule (Ghent University)	Clarisse Baruch
Damiaan Denys (UMC Amsterdam University)	Mireille Battut
Jim van Os (UMC Utrecht University)	Ariane Bazan
Myrthe van Spronsen (MD PhD person with lived experience)	Guy Dana
Jean-Louis Feys (head doctor psychiatrist Saint-Bernard Manage)	Bruno Falissard
	Tristan Garcia Fons
	Bernard Golse
	François Gonon
	Nicolas Gougoulis
	Pascal-Henri Keller
	Éric Laurent
	Bernard Odier
	Lisa Duss
	Dominique Tourrès Landman

online conference with

- Paul Appelbaum (Columbia University NYSPI, chair of the DSM Steering Committee)
- Robert Krueger (University of Minnesota USA, Hi-TOP Consortium)
- Nev Jones (University of Pittsburgh and person with lived experience)
- Roberto Lewis-Fernandez (Columbia University NYC)

This event wants to break down the barriers between different approaches to mental disorders, and enable people to meet in a setting where the ethics of discussion will be preserved.

online registration is available on infotronique.fr/DSM5
